

# NO CAVITY CLUB!

Hey kids!

Want to become a member of our No Cavity Club? If you are under 14 years of age and have a "cavity free" dental visit, you can become a member of Dental Associates' NO CAVITY CLUB and get the following:

- A cool club certificate to show off to your family and friends.
- Your name and picture posted on Dental Associates' Facebook page.
- Your name added to our monthly drawing for a prize from Dr. Nick!

So, what can you do to help get you into our NO CAVITY CLUB? Just follow these simple tips:

Tip #1: Brush your teeth morning and night.

Tip #2: Floss to clean in between your teeth.

Tip #3: Eat healthy snacks instead of sugary treats.

Tip #4: Drink water and milk instead of juice and pop.

Follow these tips to help you become a member of Dental Associates' No Cavity Club!
